

Rotech Healthcare Introduces Chief Clinical Officer and National Clinical Director

Rotech Healthcare Inc. introduces Greg Spratt, Chief Clinical Officer. Greg is responsible for oversight of all aspects of Rotech's clinical programs, including the operation of Pulmo Dose Pharmacy and Sleep Central for Rotech Healthcare Inc. Greg has been with Rotech for eighteen years and most recently served as the National Clinical Director. In this role Greg is responsible for all of Rotech's clinical programs, including the implementation of several programs designed to improve patient care, satisfaction and retention.

Philip L. Carter, President and Chief Executive Officer commented, "Greg's insight to the importance and benefit of quality patient care has helped Rotech to achieve many of its growth objectives." Greg will continue to play an important role in the ongoing development of Rotech's strategic vision and focus on patient care.

Nick Macmillan is the newly appointed National Clinical Director. Nick brings over twenty-five years of respiratory health care experience as a clinician, manager, consultant and executive. Over the last fifteen years Nick's home care positions have included Director of Respiratory Care and New Business Development, Vice President of HME Operations, and Corporate Compliance Officer with two regional HME providers. For the past four years, Nick has been with Sunrise Medical – DeVilbiss, where he most recently served as Global Sleep Product Director. He also owned and operated Outside the Box Consulting, a health care consulting firm.

Philip L. Carter, President and Chief Executive Officer added, "We feel Nick's outside experiences will compliment our executive management team's vision for the future and look forward to his perspectives and contributions." Nick will be responsible for the ongoing development and expansion of Rotech's clinical programs.

Philip L. Carter, President and Chief Executive Officer concluded "these [individuals] punctuate Rotech's commitment to vision for our future: ***We Care About Patient Care.***

About Rotech Healthcare Inc.

Rotech Healthcare Inc. is a leading provider of home respiratory care and durable medical equipment and services to patients with breathing disorders such as chronic obstructive pulmonary diseases (COPD). The Company provides its equipment and services in 48 states through over 500 operating centers, located principally in non-urban markets. Rotech's local operating centers ensure that patients receive individualized care, while its nationwide coverage allows the Company to benefit from significant operating efficiencies.
